Our school has been given the incredible privilege of educating Tomorrow's Leaders. To provide them with the best, we are seeking sponsors to support their education. Through the Grace of God, an individual has again stepped forward who will match, **dollar-for-dollar up to \$50,000**, any amount you can donate to benefit the children of our school. Please contact anyone you know who is a supporter of St. John Vianney and/or Catholic Education, and encourage them to join in this much needed effort. And, please join us on Saturday, February 6, 2016, for our **Annual Vianney Nights Dinner Auction**. You will be blessed.
